

Statewide Agricultural Producer Association Grant Program Tennessee Agricultural Enhancement Program

Application Guidelines - Fiscal Year 2012 - 2013

A. General Information:

The purpose of the Statewide Agricultural Producer Association Grant Program is to **increase income to Tennessee farmers by providing assistance for eligible activities of statewide agricultural producer associations across Tennessee**. These activities contribute to the education, training and marketing skills of Tennessee agricultural producers as well as developing markets for farm products.

Grants are available to qualified statewide agricultural producer associations in amounts up to \$5,000 (maximum). Total funding is limited and grant requests are competitive.

The Tennessee Department of Agriculture (TDA) is providing this opportunity through the Tennessee Agricultural Enhancement Program (TAEP). TAEP is a direct result of the State of Tennessee's continued commitment to supporting farm development and Tennessee's agricultural community.
